WINE MENU

WELCOME

At Stella Steakhouse we are very proud to list the wines of Château La Coste. This Irish owned estate is located in Provence in the south of France and in line with biodynamic principles, Château La Coste strives to preserve the terroir, protecting its fertility and safeguarding the essence of its soils. The alchemy of the blends takes place in a new generation winery, developed by the French architect Jean Nouvel and inaugurated during the harvest of 2008. This new technology ensures the natural expression of the wine and brings a new breath to a long tradition. In 2009, the wines of Château La Coste were labelled “Organic Agriculture”, a label that recognises the respect of land and methods, in perfect harmony with nature.
